Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Lovettsville Transite Sewer Line Replacement project in fiscal year 2024. The entity to receive funding for this project is the Town of Lovettsville, Virginia, located at 6 East Pennsylvania Ave, Lovettsville, VA 20180.

The funding is an appropriate use of taxpayer funds because it will replace approximately 2,800 linear feet of sewer lines that are constructed out of transite concrete, which contains asbestos and has proven health risks, with modern, generally accepted materials.

This project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton  
Member of Congress
